

## Salem Hospital construction update

### April 10, 2006

---

#### ***Street closures***

**New:** Capitol Street SE is now closed to through traffic and will remain closed for several weeks. The southeast exit out of the employee parking garage will be open during peak hours, however, to allow employees to exit right onto Capitol Street, before turning onto Mission Street.

**In progress:** University Street SE, between Mission and Oak Streets, is closed to through traffic until early May. Access to Mission Imaging and the Salem Hospital Business Office is still available.

#### ***Walkways***

**In progress:** Work has begun on a walkway around the 720 Winter Street SE building and on the east side of Capitol Street. The pedestrian bridge across Pringle Creek will be closed for a few weeks. Walkways are being created for safe passage around construction and for people headed to the shuttle stop.

#### ***Oak Street SE***

**In progress:** The sidewalk on the north side of Oak Street, from 12th Street to Capitol Street remains closed. Please use the south-side sidewalk.

**In progress:** Utility work on Oak Street is occurring in front of the Center for Outpatient Medicine and the Family Birth Center. Watch for flaggers and follow temporary signs for traffic routing.

**Coming soon:** The turnaround in front of the Center for Outpatient Medicine will be open to traffic while utility work is conducted in front of the building, except for two Saturdays later this month.

#### ***University Street SE***

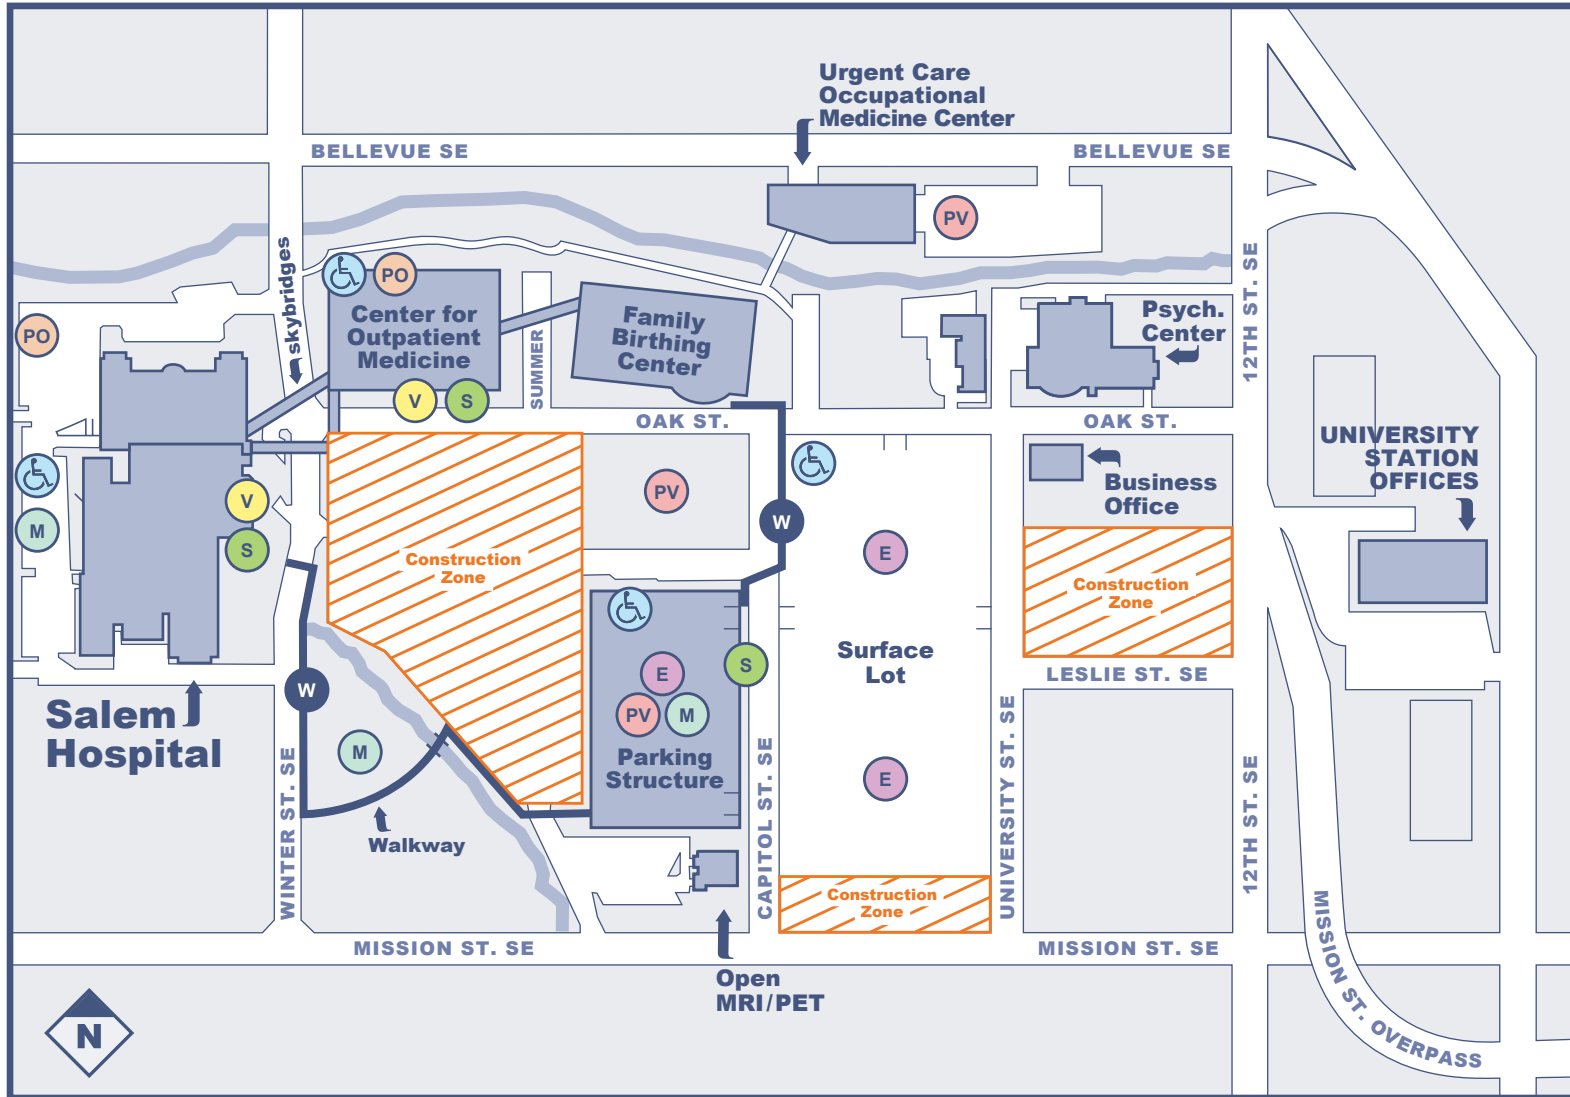

**In progress:** The west-side sidewalk is closed from Mission Street to Oak Street while underground utilities are being installed.

#### ***Surface parking lot***

**In progress:** Underground utility work and paving is in progress on the new surface parking lot. This lot will be completed and ready for use before the demolition of the visitor structure.

#### ***Leslie Street SE***

**In progress:** The sidewalk on the North side of Leslie Street is closed until November.
