

# Salem Hospital construction update October 30, 2008

## Cascade Café to relocate Nov. 12

**Note: This update only affects Family Birth Center patients, visitors and employees.**

- On Tuesday, Nov. 11, at about 9 p.m., the Cascade Café will move from the second floor of the Family Birth Center to a temporary location off the main lobby on the first floor. The move will allow Turner Construction to complete skybridge work on the second floor.
- The temporary location will open the morning of Nov. 12, and will be open from 7 a.m. to 7 p.m., daily (hours of operation are subject to change) until the grand opening of the Creekside Café. Signage will be placed to help Family Birth Center patients, visitors and employees find the new location.
- This temporary location is for *Family Birth Center patients, visitors and employees only*. Construction surrounding the Creekside Café will be closed to view. Turner Construction is continuing work on the Creekside Café's serving and eating areas behind construction walls, so the hospital community will get its first view of the new restaurant when it's ready.
